

COPS 'N' KIDS DELAWARE VALLEY needs your vote!

McHales Cares has chosen Cops' n' Kids to be one of three non-profits selected to compete in its January event! If Cops' n' Kids gets the most votes, we will receive a \$1,000 donation to support our efforts!

McHales Cares is a community give back program that finds well deserving charities in their backyard that could use a little help. They donate \$1,000 each month, so charities can continue to give back to the community that McHales Inc. has been a part of since 1950.

Cops 'n' Kids Delaware Valley

Cops 'n' Kids Delaware Valley is dedicated to expanding children's access to books while establishing meaningful connections to their community. We collect new and gently used books from the community and provide them to the kids who need them most. Our volunteers foster positive community engagement by connecting with kids at neighborhood events, being guest readers in classrooms, working behind the scenes to support family service organizations, and filling classroom libraries.

Cops' n' Kids Delaware Valley is a non-profit initiative funded by the community and supported by volunteers. Visit us at www.copsnkidsdelval.org or on Facebook at [copsnkidsdelval](https://www.facebook.com/copsnkidsdelval)
